

### 3. Auto-rebalancing

Please note this section is only applicable if this switch represents your first investment into Perpetual Select Geared Australian Share Investment Option and you currently do not have auto-rebalancing.

<input type="checkbox"/> yes	<input type="checkbox"/> no	frequency:	<input type="checkbox"/> quarterly	<input type="checkbox"/> half yearly	<input type="checkbox"/> annually
------------------------------	-----------------------------	------------	------------------------------------	--------------------------------------	-----------------------------------

If no selection is made, 'Yes' will be assumed. If you do not nominate a frequency the default of 'Annually' will be assumed. The investment strategy will be based on your investments after the switch unless specified in writing by you.

### 4. Applicant signature and declaration

**Please note:** The terms and conditions for the investment options you have selected may differ from your previous selection. Please contact your financial adviser, call our Perpetual Select Client Service Team on 1800 003 001 or visit our website at [www.perpetual.com.au](http://www.perpetual.com.au) for a copy of the current Product Disclosure Statement with details of all available investment options.

**Perpetual Select Geared Australian Share and Perpetual Select Geared High Growth Investment Options (Super Plan only)**

(You must read and sign the below if this switch represents your first investment into Perpetual Select Geared Australian Share and/or Perpetual Select Geared High Growth Investment Options)

I have thoroughly read the 'Understanding investment risk' section of pages 8-10 of the Select Super Plan PDS (the PDS), 'Gearing risk' section on page 9 of the PDS and 'Limits for the Geared Australian Share Investment Option' section on page 10 of the PDS. I understand the greater risks associated with my selection of the Perpetual Select Geared Australian and/or Perpetual Select High Growth Investment Options and that it has a suggested investment timeframe of seven years or more.

I acknowledge and accept that, if the value of my investment in Perpetual Select Geared Australian Share Investment Option has risen above or falls below my nominated percentage allocation (or the default percentage allocation if I do not make a nomination) at my nominated review date (or the default frequency if I do not make a nomination) it will be automatically rebalanced to my nominated percentage allocation (or default percentage allocation) across my investments. I acknowledge that the buy/sell spread will apply to this rebalancing transaction.
