

Pension refresh form

Please read the following information regarding the pension refresh facility before you complete this form.

To be eligible for this service, you must:

- hold both a WealthFocus Wholesale Super and WealthFocus Wholesale Pension (account based pension) account
- maintain a minimum balance of \$25,000 in your super account if you wish to keep this account open after your new pension is commenced and/or hold insurance cover through WealthFocus Super
- start your new pension account with a minimum balance of \$25,000
- be eligible to commence a WealthFocus Wholesale Pension Plan (account based pension or transition to retirement account based pension).

If you do not have an existing WealthFocus Wholesale Super account, you will need to open one prior to commencing a pension refresh. Please contact us for more information.

Your current personal information, investment and payment instructions for your existing pension account will be transferred to your new pension account. Your new pension account will not commence until all transactions requested or required as part of the pension refresh process have been completed. In some cases regular business processes may need to be carried out before some steps of the pension refresh process can be completed, which may delay its completion.

To receive a waiver of buy/sell spreads you need to transfer to the same Investment Options in the same amounts as you are currently invested in your existing pension and super accounts.

Before completing this form, you should:

- read the current WealthFocus Wholesale Super Plan and WealthFocus Wholesale Pension Plan Product Disclosure Statements which include important information on the operation of your super and pension accounts
- consult a financial and/or tax adviser and have them assist you to complete this form
- consider the tax and social security implications associated with your transaction/s.

Please complete this form if you would like to have your existing WealthFocus Wholesale Pension Plan account and WealthFocus Wholesale Super Plan account used to commence a new WealthFocus Wholesale Pension Plan account. The form also provides you with the option to contribute additional funds into your existing WealthFocus Wholesale Super account and also to claim a tax deduction and complete a re-contribution (optional).
