

Perpetual Smaller Companies Fund No.2

Significant event notice - Important changes

We are writing to inform you of important changes to the Perpetual Smaller Companies Fund No.2.

Between May 8 and May 13, 2025, we are transitioning our registry services to a new external provider.

Below you'll find a summary of the changes and important information on limitations to services during the transfer period ("temporary limited-service period").

What's changing?

In May, Perpetual Investment Management Limited will transition to a new external registry service provider, MUFG Pension & Market Services. This will affect managed investment schemes where we act as the responsible entity.

Importantly, there will be no changes to how your investments are managed. This change only affects the service provider administering your account.

In conjunction with this change, we are issuing a new Product Disclosure Statement (PDS), Perpetual Smaller Companies Fund No.2 PDS, issue number 11 dated May 12, 2025.

How will investors be impacted?

As a result of the transition the current investor online portal, myPerpetual, will be replaced with an online portal provided by MUFG Corporate Markets, a division of MUFG Pension & Market Services. Consequently, there will be changes to the way you engage, administer your investments/account and transact through the new online portal. There will also be changes to some of the product features of the affected funds.

We encourage you to read this document carefully and contact us if you have any further questions.

What is a registry service provider?

A registry service provider manages a range of administrative functions for an investment fund, including (but not limited to) processing investor transactions, such as applications, withdrawals, transfers, and maintaining investor details.

Why are we making this change?

As we approached the end of our arrangement with our current external registry service provider, a comprehensive review and due diligence process was undertaken to ensure we had a fit-for-purpose solution for our investors over the long term.

MUFG Pension & Market Services is a leading global financial services group, providing a range of investment and administrative solutions for clients across the globe.

Perpetual aims to provide the best possible outcomes and experiences for our investors. While we acknowledge this change may initially be disruptive, it is a crucial step to ensure a quality investor experience into the future.

When will the transfer of registry services be complete?

Transitioning our investors across registry providers will take some time. During this period some of our service offerings will be temporarily limited or unavailable.

Here is a timetable of important dates:

Event	Date
Temporary limited-service period commences. MyPerpetual online portal will be 'view only' and unable to accept transaction requests or updates.	5 May 2025
Last day to transact or update account details before transition.	8 May 2025
Transition period where no investor transactions or updates will be completed.	9 May -13 May 2025
New registry welcome email/letter issued	Mailing to commence on, or shortly after, 13 May 2025
Transaction and account updates resume	14 May 2025
Adviser online portal becomes available	On or shortly after 13 May 2025
Investor online portal becomes available	On or shortly after 13 May 2025
Temporary limited-service period ends	19 May 2025

These dates may be subject to change. In the event of any major delays, Perpetual will notify you of any updated timings.

What's next?

You and your adviser (if you have one), will receive further information including a welcome letter. This will contain information in relation to the new online portal and subsequent changes. This will be sent as per your current communication preferences by posted letter or email.

The pack will include information such as:

- Your new Investor Number
- Registration instructions for your new online portal account
- MUFG Pension & Market Services contact details

Do you need to take any action now?

You should take the following action:

1. Read this notice in its entirety to understand the impacts of the transfer and the implications of the temporary limited-services period.
2. If you're planning to transact on your account (application, redemption or switch) or update your details, we encourage you to submit the request to us as soon as possible ahead of transition period, to avoid delays associated with the temporary limited-services period.
3. To ensure you receive the email or letter, we need your current email and postal address. Please ensure these are up to date by logging in to your myPerpetual account or contacting us on 1800 022 033 by 5 May 2025.

Changes to online functions

You will have access to a new online portal which allows self-service including transaction capability and increased security. The table below outlines some of the changes to your online features.

Online features	To 13 May 2025	From 13 May 2025
Online access - login	Access to your account is available through myPerpetual online portal login, found on the Perpetual website www.perpetual.com.au	New online portal access available via www.perpetual.com.au or direct access is available at https://au.investorcentre.mpms.mufg.com/ We will send you new login information and registration instructions closer to the transition date to allow you to login to the new online portal. You will need to complete a short registration process to get started on the new online portal. If you hold multiple Perpetual unlisted investment funds you have the ability to add your holdings into a single view within your investor account online.
Online access - adviser	If authorised, financial advisers can transact and maintain your account using myPerpetual online portal	Your financial adviser will have "view only" access to your account. They will no longer have the ability to transact on your behalf electronically and be required to submit a form.
Online access - authorised representative	Authorised representatives can transact on your behalf using the myPerpetual online portal	You can no longer approve transact access for your authorised representative. You can enable view only access for your authorised representative on your account via the new online portal. We will provide instructions on how to do this using the information contained within the onboarding letter closer to 12 May 2025. Your authorised representative can transact and make changes to your account by submitting a form.
Online access - correspondence	The current online portal correspondence section will be available as read-only until Friday 16 May 2025. All correspondence, letters, statements and email notifications are available to view and download. See further information in the temporary limited-service Period section.	When the new online portal is available on or after 13 May 2025 the correspondence section of the online portal will initially provide limited historical statements. We'll migrate all statements from 1 July 2020 to the investor online portal, but they won't all be available immediately after the transition date. Statements will be loaded gradually to your online account and fully available from 31 July 2025. If you need access to statements that haven't yet been uploaded to the new online portal, please call us to request copies. Alternatively, you may wish to download all or important correspondence from the current myPerpetual online portal prior to 12 May 2025.
Account numbers	Your account identifiers are account number and client ID.	After the transition is completed on or around 13 May 2025, you will receive a new account identifier called an Investor Number. We will advise the new account identifier in the welcome letter sent closer to the transition date. All your existing identifiers and the new account identifier can be used when calling the contact centre.
