

Exchange Traded Funds Distribution Reinvestment Plan (DRP) Rules

August 2025

1. The DRP

- 1.1. These DRP Rules apply to the exchange traded funds (**ETFs**) listed in the Appendix with applicable effective dates and for which Perpetual Investment Management Limited act as Responsible Entity.
- 1.2. The DRP allows Unitholders the opportunity to reinvest all or part of their Distribution in additional Units in respect of all or part of the Units of which the Unitholders are registered.
- 1.3. Participation in the DRP is subject to these Rules.

2. Eligibility to participate in the Plan

- 2.1. Participation by Unitholders in the DRP is:
 - (a) Optional and voluntary;
 - (b) Not transferable; and
 - (c) May be varied or terminated at any time in accordance with rule 11
- 2.2. Subject to clauses 2.3 and 2.4, an Eligible Unitholder is, in respect of a particular Distribution Record Date, a person who, at that Distribution Record Date, was recorded in the ETF's unit register as a registered holder and has a registered address in Australia or New Zealand.
- 2.3. The Responsible Entity may in its absolute discretion accept or refuse to accept in whole or in part any Participation Notice. Without limiting the generality of the above, the Responsible Entity may from time to time determine that the right to participate in the DRP is not available to Unitholders. In making this determination, the Responsible Entity may consider, among other things, whether such participation would or may be impracticable, impossible or illegal and any actual or anticipated inconvenience or expense in allowing, or investigating the possibility of allowing, such participation.
- 2.4. The Responsible Entity has the discretion to refuse to accept any person's Units for participation in the DRP and to suspend or withdraw any person's Units from participation (including declining to issue or transfer or reducing the issue or transfer of Units under the DRP to a Participant) if the Responsible Entity considers that the participation of those Units might:
 - (a) Breach any law of Australia including the Corporations Act, the ASX Operating Rules and associated Procedures, the ASX Listing Rules and associated Procedures or the Constitution; or
 - (b) Otherwise prejudice the effective operation of the DRP

3. Multiple or Joint holdings

- 3.1. Where an Eligible Unitholder has more than one holding of Units:
 - (a) Each holding will be treated as separate for the purposes of the DRP, such that a separate Participation Notice must be lodged with respect to each separate holding that is to participate; and

-
- (b) These Rules will apply as if each such holding were held by a separate Participant, unless the Responsible Entity determines otherwise.
- 3.2. If Units are jointly held by two or more Eligible Unitholders, all joint holders of such Units must sign a single Participation Notice for it to be valid. If one or more of the joint holders of the Units is not an Eligible Unitholder, none of the joint holders can apply to participate in the DRP with respect to the Units jointly held.

4. Application to participate

- 4.1. An application to participate in the DRP must be made by submitting a Participation Notice in accordance with rule 15. An Eligible Unitholder's participation in the DRP will take effect in accordance with rule 15. A Unitholder must submit a separate Participation Notice for each ETF referred to under these Rules.
- 4.2. A Participation Notice validly submitted or otherwise accepted by the Responsible Entity remains in effect until:
- (a) The Unitholder varies or terminates participation in the DRP under these Rules
 - (b) The Responsible Entity terminates the DRP under rule 13
 - (c) The Participant ceases to be an Eligible Unitholder under rule 2, in which case the Participation Notice will become effective if and at such time as the Unitholder recommences to be an Eligible Unitholder.

5. Extent of Participation

- 5.1. Unitholders may, in their Participation Notice, nominate one of the following levels of participation:
- (a) Full participation
A Unitholder may nominate all Units registered in the ETF of that Unitholder, including Units subsequently acquired by the Unitholder whether under the DRP or otherwise, to participate in the DRP. If a Unitholder's Participation Notice is accepted, that Unitholder will be admitted as a Full Participant.
 - (b) Partial participation
A Unitholder may nominate a specific number of Units held in the ETF of that Unitholder to participate in the DRP. If a Participation Notice is accepted, that Unitholder will be admitted as a partial Participant in respect of the nominated Units only.
- 5.2. Unitholders will on acceptance of their Participation Notice by the Responsible Entity participate in the DRP only to the extent they have elected to participate under clause 5.1.
- 5.3. If the Responsible Entity receives a Participation Notice from a Unitholder where the level of participation is not clearly specified, in the opinion of the Responsible Entity, the DRP election will be deemed to be a request that all Units held by the Unitholder participate in the DRP.
- 5.4. A Participant may at any time vary the level of participation (but not the Terms and Conditions of the participation) in the DRP by completing and returning to the Unit Registry a further Participation Notice specifying the variation to be made in the level of participation. The variation in the level of participation will take effect from the date of receipt of that further Participation Notice by the Responsible Entity.

6. Operation of the DRP

- 6.1. Each Distribution Payment payable to a Participant in respect of Participating Units will be applied by the Responsible Entity on the Participant's behalf in acquiring additional Units by issue or transfer in accordance with these Rules.

-
- 6.2. The price at which each Unit is issued under the DRP in respect of a Participating Distribution is the Unit Price.
- 6.3. The Responsible Entity will establish and maintain a DRP account for each Participant. In respect of each Distribution payable to a Participant, the Responsible Entity will:
- (a) Determine the Distribution Payment in respect of that Participant's Participating Units;
 - (b) Credit the amount in rule 6.3(a) to the Participant's DRP account, and that payment constitutes payment of the Distribution on the Participant's Participating Units;
 - (c) Determine the maximum whole number of Units, priced in accordance with rule 6.2 which may be acquired under the DRP by using the amount in the Participant's DRP account (if a fraction results from the application of this clause, the result will be rounded down to the nearest whole number); and
 - (d) retain in the Participant's DRP account, without interest and on the terms set out in these Rules, any cash balance remaining (rounded down to the nearest cent) unless and until the cash balance is applied in accordance with these Rules.
- 6.4. Subject to rule 6.5, any residual balance in a Participant's DRP account will be aggregated with any further Distribution Payment credited to the DRP account.
- 6.5. Where:
- (a) The DRP is suspended or terminated by the Responsible Entity pursuant to these Rules; or
 - (b) The Participant ceases to participate in the DRP for whatever reason
- any positive residual balance in the Participant's DRP account at that time will be forfeited by the Participant and retained by the Responsible Entity.

7. Units issued under the DRP

- 7.1. Subject to the Constitution, all Units issued under the DRP:
- (a) Will be issued on or about the time of the Distribution Payment date to which the Distribution relates; and
 - (b) Rank equally in every respect with the existing issued Units
- 7.2. Units issued under the DRP will be registered on the unit register on which the Participant already holds Units or if the Participant holds Units on more than one unit register, on the unit register which the Responsible Entity determines

8. DRP statement

- 8.1. The Responsible Entity will send to each Participant as soon as practical following each Distribution Payment date a DRP Statement detailing the following information:
- (a) the number of units of the Participant in the DRP as at the relevant Closing Date;
 - (b) the amount of the Distribution and cash distribution payable in respect of the Participant's Participating Units (including, if applicable, the amount of withholding tax and any other amount which has been deducted from the cash Distribution payable);
 - (c) the amount (if any) in the Participant's DRP account immediately prior to the payment of the relevant Distribution
 - (d) the number of Units to be allotted to the Participant under the DRP and the date of allotment of those Units;
 - (e) the Unit Price of each Unit to be allotted to the Participant under the DRP;
 - (f) subject to any Unit transactions in the intervening period, the total number of Units of the Participant participating in the DRP after the Distribution; and
 - (g) such other information as the Responsible Entity may at any time and from time to time determine.

9. Costs to Participating Unitholders

- 9.1. No brokerage, commission or other transaction costs will be payable by Participants on Units acquired under the DRP.
- 9.2. If the existing legislation changes so that at the date of any issue, any stamp duty is payable in respect of the issue, the amount of such stamp duty will be paid by the Participant to whom the Units are issued and will be debited to that Participant's DRP account.

10. The effect of applying for participation

- 10.1. By applying to participate in the DRP, the applicant:
 - (a) warrants to the Responsible Entity that it is an Eligible Unitholder;
 - (b) acknowledges that Distributions reinvested under the DRP will be assessable for applicable income tax in the same way as cash Distributions;
 - (c) authorises the Responsible Entity (and its officers or agents) to correct any error in, or omission from, any other notice or application contemplated by rule 15 (including, but not limited to, a Participation Notice);
 - (d) acknowledges that the Responsible Entity may at any time irrevocably determine that the applicant's Participation Notice is valid, in accordance with these Rules, even if the Participation Notice is incomplete, contains errors or is otherwise defective;
 - (e) acknowledges that the Responsible Entity may reject any Participation Notice;
 - (f) consents to the establishment of a DRP account on its behalf;
 - (g) consents to any entitlement to a fraction of a Unit produced by the calculation in rule 6.3 being dealt with in accordance with rule 6;
 - (h) consents to any residual balance in the DRP account maintained on its behalf being dealt with in accordance with rule 6;
 - (i) acknowledges that the Responsible Entity may, in its absolute discretion, arrange for the DRP to be fully or partially underwritten in respect of any one or more Distributions with one or more underwriters;
 - (j) acknowledges that neither the Responsible Entity nor the Unit Registry has provided the applicant with investment advice, financial product advice or any securities recommendation concerning its decision to apply to participate in the DRP and that neither has any obligation to provide any such advice or recommendation; and
 - (k) unconditionally agrees to the Rules and agrees not to do any act or thing which would be contrary to the spirit, intention or purpose of the DRP or the Rules, in each case, at all times until termination of the DRP or the cessation of the Participant's participation in the DRP.

11. Variation or termination of participation in the DRP

- 11.1. A Participant may at any time give notice to the Responsible Entity via the Unit Registry using the Participation Notice:
 - (a) increasing or decreasing the number of Units participating in the DRP; or
 - (b) terminating participation in the DRP.The alteration or termination takes effect in accordance with rule 15.
If a Participant increases its level of participation to Full Participation, rule 5.1(a) applies.
If a Participant decreases its level of participation or increases its level of participation to a level below Full Participation, rule 5.1(b) applies.

-
- 11.2. If a Participant dies, participation in the DRP terminates upon receipt by the Responsible Entity of written notice of the death. If a Participant is declared bankrupt or is wound- up, participation in the DRP terminates upon receipt by the Responsible Entity of a notification of bankruptcy or winding- up from the Participant or the Participant's trustee in bankruptcy or liquidator, as the case may be. The death, bankruptcy or winding-up of one or more joint holders does not automatically terminate participation provided the remaining holder or all remaining joint holders are Eligible Unitholders.

12. Reduction or termination of participation where no notice is given

- 12.1. Where all of a Participant's Units are Participating Units and the Participant disposes of some (but not all) of those Units, then subject to rule 11.1, the remaining Units held by the Participant continue to be Participating Units.
- 12.2. Where only some of a Participant's Units are Participating Units and the Participant disposes of part of the Participant's total holding, then the Units disposed of are deemed not to be Participating Units. If the number of Units disposed of is more than the number of the Participant's Units not participating in the DRP, the disposal is deemed to include all the Participant's holding not participating in the DRP, and the balance (if any) will be attributed to Participating Units.
- 12.3. Where a Participant disposes of all its Units, the Participant is deemed to have terminated participation in the DRP with respect to the holding on the date the Responsible Entity registered a transfer or instrument of disposal of the Participant's holding.

13. Modification, suspension or Termination of the DRP by the Responsible Entity

- 13.1. The DRP or these Rules may be varied, suspended or terminated by the Responsible Entity at any time by announcement to the ASX and the Responsible Entity's website. For the avoidance of doubt, where the Responsible Entity has announced that the DRP will operate in respect of a Distribution, the Responsible Entity retains the discretion to suspend the DRP in respect of that Distribution at any time prior to the Distribution Payment date.
- 13.2. The variation, suspension or termination takes effect upon the date specified by the Responsible Entity and the variation, suspension or termination does not give rise to any liability on the part of, or right of action against, the Responsible Entity or its officers, employees or agents.
- 13.3. If the DRP or these Rules are varied, a Participant continues to participate under the DRP and these Rules in their varied form continue to apply unless the Participant terminates its participation in the DRP by submitting a Participation Notice in accordance with these Rules.
- 13.4. If the DRP is suspended, an election as to participation in the DRP will also be suspended and all Units are deemed to be non-Participating Units for the purpose of any Distribution paid while the DRP is suspended.
- 13.5. Any suspension under rule 13.4 will continue until such time as the Responsible Entity resolves to recommence or terminate. The DRP may be reinstated following a suspension in accordance with this rule 13 by announcement to the ASX and the Responsible Entity's website. Upon reinstatement of the DRP, all prior elections will be reinstated and will continue to apply until a new valid Participation Notice is lodged, unless the Responsible Entity determines otherwise.
