Perpetual Private

PERPETUAL INCOME AND GROWTH OPPORTUNITIES FUNDS

Withdrawal offer for October 2026

As noted in the Product Disclosure Statement ('PDS') issued by Perpetual Investment Management Limited ('PIML') for the Perpetual Income and Growth Opportunities funds (Funds), withdrawals from the Funds are subject to a withdrawal offer.

The Funds are operated as non-liquid schemes. Withdrawals can only be made from the Funds after we make a withdrawal offer.

This notice sets out the withdrawal offer for the month ending 31 October 2026.

1. WITHDRAWAL OFFER OPENING AND CLOSING DATES

The next withdrawal offer to investors in each Fund will be open from 1 October 2026 to 30 October 2026.

Withdrawal offer opening date	1 October 2026
Withdrawal offer closing date	30 October 2026

For indirect investors, you must direct your service operator to lodge a withdrawal request with sufficient time to ensure that they can meet the closing date cutoff. Your service operator must lodge withdrawal requests with PIML by 30 October 2026 (at 3pm Sydney time). Payment will be made up to 21 days after the withdrawal offer closing date.

PIML has the right to cancel a withdrawal offer at any time before the closing date.

2. AMOUNTS AVAILABLE FOR WITHDRAWAL

For each withdrawal offer, PIML expects to offer 1.75% of the total net asset values of the Funds to be available for withdrawal.

Our estimate of the dollar amount available for withdrawal from each Fund is:

FUND	AMOUNT^
Perpetual Income Opportunities Fund	$4,000,000
Perpetual Growth Opportunities Fund	$9.900,000

^ Based on estimated net asset values of the Funds as at 31 August 2026.

The withdrawal unit price will be the exit price calculated for the last calendar day of the month to which the withdrawal offer relates and withdrawal proceeds will be paid up to 21 days after the closing date.

3. ASSETS AVAILABLE TO PAY WITHDRAWALS

The Funds currently hold liquid assets in cash and other liquid alternative investments. We will use these assets to satisfy withdrawal requests.

4. WHAT HAPPENS IF THE MONEY AVAILABLE IS INSUFFICIENT TO MEET ALL REQUESTS?

If the value of all withdrawal requests for a fund exceeds the amount offered for withdrawal from that fund, all requests received will be met by PIML on a pro-rata basis. Any unpaid amounts will not be carried over to the next quarter.

5. HOW DO I MAKE A WITHDRAWAL REQUEST

For indirect investors in the Funds, you can request a withdrawal by contacting your Private Client Adviser and instructing them to make a withdrawal request on your behalf with sufficient time to notify your service operator.

Direct investors in the Funds may submit a completed withdrawal form per the instructions in the PDS and on the Perpetual website. Withdrawal requests received after the closing date cutoff time, or that are incomplete, will not be accepted.
