Questions will be collated. During the course of the Meeting, the Chairman of the Meeting will endeavour to address as many of the more frequently raised shareholder topics as possible and, where appropriate, will give a representative of the Company's auditor, the opportunity to answer written questions submitted to the auditor. However, there may not be sufficient time available at the Meeting to address all topics raised. Please note that individual responses will not be sent to shareholders and the auditor is not obliged to provide written answers.
