In recent years, there has been an increase in collateral issuance into overseas markets including Europe. With the new EU Securitisation Regulation 2017/2402 expected to be passed into the law by European Parliament in Q4 this year, European investors are expecting Australian issuers to align with Article 5 and 7 of the EU Securitisation Regulations: due diligence, data availability and transparency.

If you are looking to find out more about the EU Securitisation Regulations and how Perpetual Corporate Trust's RBA reporting aligns with EU data requirements, download our guide "Helping Australian issuers meet EU investors' expectations".
