

# Buy, hold, sell? 5 hot ASX-Listed stocks

By Perpetual Asset Management

20 November 2023

Virality in today's fast-paced, social media-driven world is often fleeting. But does the same go for stocks? This is a topic that Perpetual's deputy head of equities Anthony Aboud pondered recently.

In October, he joined Ally Selby and WaveStone Capital's Catherine Allfrey for another edition of Livewire's *Buy Hold Sell* to discuss his view on three headline-making stocks on the ASX: Altium (ALU), Life 360 (360) and carsales.com (ASX: CAR). Which of these would Anthony buy, hold or sell?

Tune in as Anthony reveals what business looks expensive, what sell risks being controversial, and what company he needs the edge on to make an informed call.

*Note: This episode was filmed on Tuesday 17 October 2023.*

## About Perpetual's Australian equities team

Perpetual is a pioneer in Australian quality and value investing. We have a track record of contributing value through "active ownership" and deep research.
