Perpetual won the Multi Asset (Real Return) award at the 2024 Zenith Fund Awards.

Held annually, the Zenith Fund Awards aims to recognise the best in funds management across 24 categories and help raise the standard of funds management for the benefit of investors.

Perpetual was recognised in the Fund Manager of the Year, Sustainable and Responsible Investments (Growth) and Multi Asset (Real Return) categories – the latter of which it won.

“As has been our focus in previous years, [the] awards recognise and honour excellence in funds management across all asset classes and disciplines,” said Zenith managing director Jason Huddy.

“We believe that this is fundamental to continuing to raise the standards of funds management in our industry for the ultimate benefit of investors.”

Pendal was also recognised, taking out the Sustainable and Responsible Investments (Income) award.
