# PERPETUAL SELECT LIMITED SHARE FUND

August 2023

## FUND FACTS

**Investment objective:** Long-term capital growth and income through investment in a diversified portfolio of Australian shares.

**Suggested length of investment:** Five years or longer

## BENEFITS

Provides investors with the potential for maximising capital growth and income, with broad market exposure.

## RISKS

All investments carry risk and different strategies may carry different levels of risk. The relevant product disclosure statement or offer document for a fund should be considered before deciding whether to acquire or hold units in that fund. Your financial adviser can assist you in determining whether a fund is suited to your financial needs.

## INVESTMENT APPROACH

Perpetual Investments researches companies of all sizes using consistent share selection criteria. Their priority is to select those companies that represent the best investment quality and are appropriately priced. In determining investment quality, investments are carefully selected on the basis of four key investment criteria: conservative debt levels; sound management; quality business and recurring earnings.

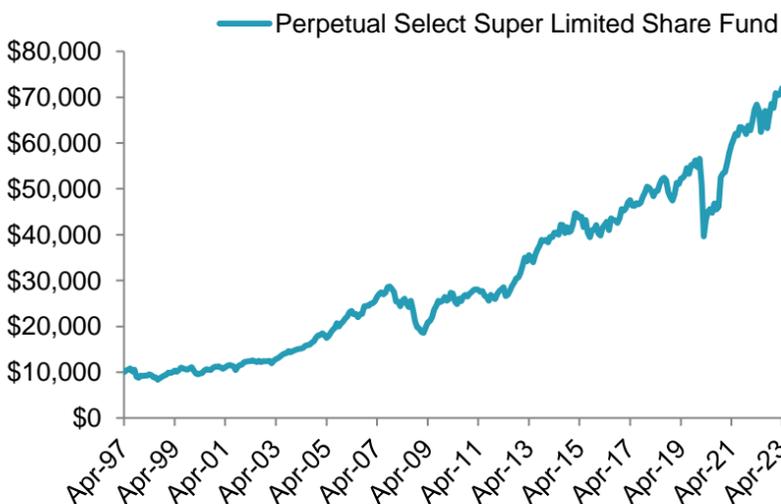

The underlying fund's investment portfolio will typically consist of between 20 and 45 stocks
