Perpetual Select Super Plan

Insurance in your super

Important notes

The information in this document forms part of and should be read in conjunction with Product Disclosure Statement issue number 10 dated 1 October 2020 for Perpetual Select Super Plan and Pension Plan (PDS).

This document contains important information about the standard insurance cover available to Super Plan members.

We may update this document where we can according to the Fund's Trust Deed and the law. A copy of the PDS, this document and any updates will be available at our website. You can also obtain a copy free of charge upon request by contacting us. You should keep a copy of this document and any updates to it for your reference.

Insurance in your super

Insurance through your super may be a tax-effective way of providing financial security to you and your family should you become disabled or die.

The Fund offers eligible Super Plan members insurance cover for:

- · death only
- · total and permanent disablement (TPD) only
- death and TPD
- salary continuance.

Subject to eligibility, Super Plan members can apply for insurance by completing the 'Insurance cover' section within the 'Member application' form and, if required, the 'Insurance application' form included with this document (also available from our website or by contacting us). In this case, your insurance cover won't commence until we confirm in writing that your application has been accepted.

We recommend that you seek advice on the types and amounts of insurance cover that are appropriate for you.

Reducing or cancelling cover

You can reduce the sum(s) insured or cancel your death, TPD and/or salary continuance cover at any time by completing the 'Application to reduce or cancel cover' form available from our website. You can also choose to change your waiting period and/or benefit period for your salary continuance cover.

If you cancel your cover, you will no longer be insured for that cover and you (or your beneficiaries) will not be able to make an insurance claim for that type of cover. Once you have reduced or cancelled any cover, you will need to complete an insurance application form and be underwritten by the insurer if you subsequently wish to increase your cover amount or reapply for that type of cover

Cooling-off period for cancellations of cover

If you cancel your cover within 14 days of the date from which your cover commenced or was increased, all cover or the additional cover (as applicable) will be cancelled from the date that cover first commenced and any premiums paid for that cover will be refunded to your member account.

Insurance summary

The following table provides a summary of the various insurance options commonly available to Super Plan members. Additional information, including various definitions and insurance premium rates, is provided in the following pages.

- your 75th birthday
- the date you die
- 60 days after the due date of any outstanding premium payment
- where the death and TPD benefit
 is for the same amount, the date
 you become totally and
 permanently disabled or terminally
 ill if a claim for that condition is
 accepted.
- 60 days after the date you cease to be a member of the Fund
- termination of the insurance policy
 agreement between the Trustee
 and the insurer
- the date you or Perpetual cancels the cover in writing.

Additional insurance information

The insurer

The insurance cover constitutes a member benefit provided under the Fund. The insurance cover is provided to the Trustee by AIA Australia Limited (the insurer) (ABN 79 004 837 861, AFSL 230043). The insurer has consented to the statements referable to it in this document in the form and context in which they are included.

Your insurance benefits are subject to the Fund's Trust Deed and the insurer's Policy Document, the main features of which are described in this document. You can obtain a copy of the detailed Policy Document by contacting us. If any of the main features change, we will notify you in writing.

Your duty of disclosure

Until the insurer agrees to provide the insurance cover, or extend, vary or reinstate your insurance cover, both the Trustee (as the policy holder under the contract) and you (as the insured member) have a duty under the Insurance Contracts Act 1984 to tell the insurer anything that you or we know, or could reasonably be expected to know, may affect the insurer's decision to insure you and on what terms.

You do not need to tell us and/or the insurer anything that:

- · reduces the insurer's risk
- · is common knowledge
- · the insurer knows or should know as an insurer
- · the insurer waives your duty to disclose.

The insurer may exercise different rights in relation to different types of cover.

If you do not disclose anything you are required to disclose that may affect the insurer's decision to insure you and on what terms, and the insurer would not have insured you if you had disclosed it, the insurer may cancel your cover from inception, or any extension, variance or reinstatement of your cover, within three years of its commencement.

If the insurer chooses not to cancel your cover, the insurer may, at any time, reduce the amount you have been insured for. This would be worked out using a formula that takes into account the premium that would have been payable if you had disclosed everything you should have. However, for death cover, the insurer may only exercise this right within three years from its commencement.

If the insurer chooses not to cancel your cover or reduce the amount you have been insured for, the insurer may, at any time vary the terms of your cover in a way that places the insurer in the same position the insurer would have been in if you had disclosed everything you should have. However, this right does not apply for death cover.

If your failure to disclose is fraudulent, the insurer may refuse to pay a claim and treat your cover, or any extension, variance or reinstatement of your cover under the contract as if it never existed.

Personal health information

If you apply for insurance cover, you will be required to provide personal health information. If you do not provide us with your relevant personal health information, it will not be possible to assess your insurance application.

We require your consent to collect, use or disclose your health and other personal information, which is collected and provided to the insurer to assess your eligibility for insurance and to administer your application.

Should you make a claim for an insurance benefit, your health and other personal information may be disclosed to the insurer, medical practitioners, claims investigators, reinsurers, the insurance reference bureau and such other experts as may be nominated by us or the insurer.

If there is any dispute about your entitlement to a disability benefit or any insurance related claim, your health and other personal information may be disclosed to legal and other advisers.

Your privacy is important to us and the insurer. Any health and other personal information will be handled in accordance with our and the insurer's privacy policies, which are available at www.perpetual.com.au and www.aia.com.au respectively.

Short-form personal statement

The amount and type of information that the insurer will require will depend on your age and the type(s) and amount(s) of cover you are seeking. A short-form personal statement with no other medical evidence is available if you are under age 55 and applying for:

- death only, TPD only or death and TPD cover up to \$1 million
- indemnity salary continuance cover up to \$8,000 per month,

provided you are able to answer 'no' to all 'yes/no' questions within the 'Insurance cover' section of the 'Member application' form.

Medical evidence

Medical evidence will be required if you apply for cover that exceeds relevant dollar limits, as shown in the 'Medical evidence tables'.

Transfer of existing insurance cover

If you are currently insured under another fund or policy, you may transfer your existing cover to the Fund to establish or increase your cover under the Fund, subject to the following conditions:

- you must be eligible for cover under the Fund
- you are under age 65 at the date of transfer
- a maximum of \$2 million death only, TPD only or death and TPD cover and a maximum of \$15,000 per month salary continuance cover can be transferred, subject to the total maximum cover amounts you can hold under the Fund
- cover in the other fund or policy must be cancelled on acceptance of the transfer of cover to the Fund
- you don't continue the cover under another insurance arrangement

- you have not received or be eligible to receive a TPD benefit from any other fund or insurance company (only applies to transfers of death only or death and TPD cover)
- you are not terminally ill with a life expectancy of less than 24 months
- you are physically capable of undertaking gainful employment for at least 30 hours per week
- the other fund or policy has a maximum loading of 100% or no more than two exclusions
- you must provide us with a copy of:
 - your most recent member statement if insurance was provided under automatic acceptance conditions or
 - the acceptance advice and your most recent member statement/renewal certificate where cover was obtained through underwriting
- your cover under the Fund will be based on the terms, conditions, premiums and occupation categories provided in the Fund
- if your cover in the other fund or policy was accepted on non-standard terms, all loadings, restrictions or exclusions applicable under the other fund or policy will continue to apply under your Fund cover.

Further information can be obtained by referring to the 'Insurance transfer form' available in the forms section of our website, which you will need to complete to request a transfer of existing cover. You should not cancel any existing insurance cover until you have received written confirmation that your insurance cover has been accepted under the Fund. Your replacement cover will not commence in the Fund until the insurer accepts your application and the existing insurance in the other fund or policy is cancelled.

Life stage event option

The life stage event option enables you to increase your death only, TPD only or death and TPD cover up to certain limits without providing further medical evidence when one of the life stage events listed in the table occurs.

The following conditions apply to increases in death or TPD cover under this option:

- you must be under age 65 at the time of applying
- satisfactory proof of the personal or business event (eg marriage certificate, birth certificate, mortgage documentation, etc) must be provided to the insurer for consideration
- the request for the increase and supply of documentation must occur within 60 days of the life stage event occurring
- applications for more than one event per year are allowed, subject to overall increases not exceeding \$200,000 in any 12-month period
- total increases made under this option cannot exceed \$1 million over the duration of your cover
- your existing cover must be on standard terms without any special exclusions, restrictions or premium loadings

- if you die or become disabled within six months after being provided an increase under this provision, the increased death or TPD cover amount will only be paid if death or disablement occurs as a result of an accident or sickness that occurred on or after the date increased cover commenced
- no benefit will be payable on the increased insured amount if the claim is caused as a result of an intentional, self-inflicted act, whether sane or insane, within 13 months from the date of any increase under this option
- if you are not at work on the date that the insurer
 accepts an increase under this option, new events cover
 will apply to the increased death or TPD cover amount
 until you return to work for one day, at which time full
 cover will apply
- you must not have made a claim or be eligible to make a claim under the Fund or with any other insurer.

Life stage events and cover increase limits

Life stage event Deat

Personal events

- marriage or divorce
- turning age 30
- the birth or adoption of a child •
- your child turning age 12 or commencing at a private school
- a salary increase of more than \$10,000 per annum if you are not self employed
- attaining five years' membership of the Fund with death/TPD cover held continuously over that time.

Death/TPD increase limit

The lesser of:

- 25% of your current sum insured or
- \$200,000.

Other personal event

Taking out or increasing a first mortgage over your principal place of residence with a registered mortgage provider.

The lesser of:

- 50% of your current sum insured
- the amount of your first mortgage or the amount of the increase of your first mortgage (as applicable) or
- \$200,000.

Business event

You are a key person in a business (working partner, director or significant shareholder) and your value or financial interest in the business (averaged over the last three years) has increased.

The lesser of:

- 25% of your current sum insured
- the increase in the value of your financial interest in the business or the value of the business (as appropriate) averaged over the last three years or
- \$200,000.

World-wide cover

If you travel or work overseas, you will be covered under world-wide cover.

You may be required to return to Australia (at your own expense) for the assessment of any claim by the insurer.

Cessation of cover on inactive accounts

Under superannuation law, insurance cover must be cancelled if your account remains inactive for a continuous period of 16 months unless you have elected in writing to keep your cover. For this purpose, an account is deemed 'inactive' if it has not received any contribution (including transfer/rollover from another superannuation fund) for a continuous period of 16 months.

We will notify you once we have not received a contribution for 9, 12 and 15 months. If you would like to maintain your insurance cover, **before** your account becomes inactive for a continuous period of 16 months, you must do one of the following:

- · make a contribution to make your account 'active'
- set up a savings plan to make regular personal contributions to your account so that your account will not be deemed to be inactive in the future
- complete and return the 'Insurance election form', which we'll also provide with our notification, to permanently opt-in for insurance cover (unless you subsequently advise otherwise).

Otherwise, we are required to cancel your insurance cover after the end of the period for which premiums have been paid once your account becomes inactive for a continuous period of 16 months.

Reinstatement of cover

Your cover will be reinstated and treated as if it had never ceased if we receive a request from you to do so within 60 days of cessation, subject to the payment of any backdated premiums. After this time, you will need to reapply and be accepted for any insurance cover.

Salary continuance benefit types

Subject to eligibility you can apply to be insured for a salary continuance benefit for an agreed value or on an indemnity basis. Under the agreed value benefit type, the insurer will pay a claim based on the lesser of your salary at application stage (provided your income details were correctly disclosed at the time) and 100% of your pre-disability income. Under the indemnity benefit type, the insurer will pay a claim based on your salary prior to your disability.

The following additional conditions apply for an agreed value benefit:

- satisfactory financial evidence must be supplied to the insurer for consideration at the time of applying for cover
- an additional premium cost of 20% of the relevant premium rate
- you must meet all other eligibility conditions at the time of your claim
- your occupation type is considered professional, white collar or light blue collar at the time of applying for cover.

Salary continuance offsets

Any salary continuance benefits that are paid to you may be reduced by any amount which you receive from:

- · workers' compensation
- · motor accident legislation
- · social security
- · any other legislation
- other salary continuance benefits from any insurer
- · any paid sick leave
- · ongoing payments from an employer
- other ongoing income generated from ownership in a business or practice which was allowable as insurable income when you applied for cover.

Recurrent disability

If you have returned to work and you suffer a recurrence of your disablement from the same or related causes within six months of recovery or your salary continuance benefit ceasing, salary continuance payments will recommence immediately without a waiting period. The maximum claim period will be adjusted to take into account prior claim payments.

Making a claim

You or your representative must notify the Trustee in writing as soon as possible after you become aware of any claim or potential claim. Claim forms and details of other paperwork required are available by contacting us.

You or your representative must provide any information the Trustee or insurer may reasonably require. For any terminal illness, TPD or salary continuance claims, you may also be required to undergo medical examinations to properly assess the claim. If you are overseas at the time, you may be required to return to Australia (at your expense) for assessment of the claim.

Receiving an insurance benefit

Any death, terminal illness or TPD insurance benefit paid into the Fund on your behalf will be invested in the Cash investment option until we are able to pay the insurance benefit to you or your dependent(s) or to your legal personal representative, or we receive other investment instructions from you or a properly authorised person.

Death

If you die while covered under the Fund, your death benefit will generally be paid to one or more of your dependants or to your legal personal representative (see 'Death benefits' in the separate 'Your Super Plan account' document for further information).

Terminal illness

If you become terminally ill (see 'Definitions' for details), the insured death benefit will be payable.

Total and permanent disablement

In the case of total and permanent disablement while you have TPD cover, your claim will be assessed by the insurer against the Policy Document and by the Trustee against the Policy Document, Trust Deed and superannuation law before any TPD benefits are paid.

Total or partial disability

In the case of total or partial disability while you have salary continuance cover, your claim will be assessed by the insurer against the Policy Document and by the Trustee against the Policy Document, Trust Deed and superannuation law before any salary continuance benefits are paid. Salary continuance benefits are taxed as income when paid to a member.

The benefit you receive will depend on whether you have an agreed value or indemnity benefit type. If you have an agreed value benefit type you will receive the lesser of the pre-determined amount of monthly benefit and 100% of your salary at the time of your claim. If you have an indemnity benefit type you will have your income assessed at the time of your claim.

If you receive a salary continuance benefit, you must maintain a Fund account. If you don't meet this requirement, any superannuation component forming part of your salary continuance benefit will no longer be payable.

Definitions

The following definitions will apply to insured members.

General

Australian resident

An Australian resident includes a person who is:

- either an Australian citizen or holder of an Australian permanent resident visa
- a New Zealand citizen holding a current special category visa who is residing in Australia indefinitely.

For death cover

Accidental death

Death by accident means death directly and independently of any other cause from an unforeseen and unintended accident happening to you and caused by violent, external and visible means.

Terminal illness

You will be considered terminally ill if you were diagnosed with an illness and:

- in the insurer's opinion, formed reasonably in good faith and in light of all available medical evidence, it is likely that you have less than 24 months to live regardless of any treatment undertaken
- two registered medical practitioners (with at least one
 of these being a specialist in the relevant area) certify
 in writing that, despite reasonable medical treatment,
 it is likely that you have less than 24 months to live and
- 3. you were diagnosed as terminally ill both while death cover was effective and when the claim is lodged.

For TPD cover

Accidental TPD

TPD by accident means total and permanent disablement directly and independently of any other cause from an unforeseen and unintended accident happening to you and caused by violent, external and visible means.

Standard TPD definition

If you were gainfully employed in the 12 months before the cause of a claim (or on approved unpaid leave or maternity/paternity leave for up to 24 consecutive months with documented evidence of an agreed return to work date) and under age 65 immediately prior to disablement, TPD means that:

- you have suffered a disability as a result of injury, sickness or disease and
- you have not performed any work for an uninterrupted period of at least six consecutive months solely due to the same injury, sickness or disease and
- you are attending and following the advice of a registered medical practitioner and have undergone all reasonable and usual treatment, including rehabilitation for the injury, sickness or disease and
- after considering all of the medical and other evidence the insurer may require, have become, in the insurer's opinion, incapacitated to such an extent that you are unlikely ever to be able to engage in any occupation for which you are reasonably suited by education, training or experience.

Activities of daily living TPD definition

If you were not gainfully employed in the 12 months before the cause of a claim (unless you are on approved unpaid leave or maternity/paternity leave for up to 24 consecutive months) or you are aged 65 or over immediately prior to disablement, TPD means that:

- you have been, for a period of six consecutive months
 after the occurrence of an injury, sickness or disease,
 continuously, totally and permanently unable to
 perform at least two of the following activities of daily
 living as certified by a registered medical practitioner,
 and provided such continued inability is irreversible
 and is certified to be such by that registered medical
 practitioner:
 - bathing the ability to wash yourself either in the bath or shower or by sponge bath without the standby assistance of another person
 - dressing the ability to put on and take off all garments and medically necessary braces or artificial limbs usually worn, and to fasten and unfasten them without the standby assistance of another person
 - eating the ability to feed yourself once food has been prepared and made available, without the standby assistance of another person
 - toileting the ability to get to and from and on and off the toilet without the standby assistance of another person and the ability to manage bowel and bladder functions through the use of protective undergarments or surgical appliances (if appropriate)
 - transferring the ability to move in and out of a chair without the assistance of another person

and

 after considering all of the medical and other evidence the insurer may require, have become, in the insurer's opinion, incapacitated to such an extent that you are unlikely ever to be able to engage in any occupation for which you are reasonably suited by education, training or experience.

For death and TPD cover

At work

At work means:

- you are engaged in your normal duties, without limitation or restriction due to sickness or injury, and working normal hours on the date your cover (or increased cover, as applicable) is to commence
- you are not restricted by sickness or injury from being capable of performing your full and normal duties on a full-time basis (for at least 30 hours per week) even though actual employment can be on a full-time, part-time, contract or casual basis and
- you are not in receipt of and/or entitled to claim income support benefits from any source.

If you are on approved leave or not gainfully employed for reasons other than sickness or injury, at work means in the opinion of the insurer you are not restricted by sickness or injury from being capable of performing your full and normal duties on a full-time basis (for at least 30 hours per week) even though you are not then working on a full-time basis and you are not in receipt of and/or entitled to claim income support benefits (for sickness or injury) from any source.

If you do not meet these requirements, you will correspondingly be considered not at work.

New events cover

New events cover means you are only covered for claims arising from a sickness which first became apparent or an injury which first occurred on or after the date your cover commenced. This excludes cover for any pre-existing conditions at that time.

For salary continuance cover

Accidental disability

Accidental disability means total disability or partial disability caused directly and independently of any other cause from an unforeseen and unintended accident happening to you and caused by violent, external and visible means.

Total disability

Total disability means disablement resulting solely from sickness or injury that occurs while you have salary continuance cover, which results in you:

- being continuously unable to perform at least one important duty of your usual occupation necessary to producing income
- 2. remaining under the regular care and attendance, and following the advice, of a registered medical practitioner in relation to that sickness or injury
- 3. not engaging in any occupation, whether paid or unpaid
- suffering a disability which satisfies, in the insurer's opinion, a condition of release under superannuation law.

An important duty is defined as involving 20% or more of overall occupational tasks responsible for generating at least 20% of your pre-disability income (see 'Definitions' for details).

If you are unemployed immediately preceding the occurrence of an event giving rise to a claim, then total disability means disablement resulting solely from injury or sickness, which results in you:

- being unable to perform any occupation for which you are reasonably suited by education, training or experience
- remaining under the regular care and attendance of a registered medical practitioner and are following the advice of that registered medical practitioner in relation to that injury or sickness
- 3. not engaging in any occupation, whether paid or unpaid
- 4. suffering a disability which satisfies, in the insurer's opinion, a condition of release under superannuation law.

No benefit will be payable during any periods of unemployment for any period of disability resulting directly or indirectly from any mental health disorder, including but not limited to, anxiety disorder, depressive disorders, stress, fatigue, drug or alcohol abuse, behavioural disorders, their treatment or related complications.

Partial disability

Partial disability means immediately following a period of total disability for at least 14 consecutive days, and solely due to that same sickness or injury, after the waiting period has been served, you:

- 1. are unable to perform one or more duties of your usual occupation
- 2. are earning an income less than your pre-disability income
- 3. remain under the regular care and attendance, and following the advice, of a registered medical practitioner in relation to that sickness or injury.

A benefit paid for partial disability will be reduced proportionately to the benefit paid for total disability. It is based on a formula that takes your pre-disability income into consideration regardless of whether your benefit is agreed or indemnity value.

Salary

Salary or income means your basic wage or income. It includes your remuneration package, salary, fees, regular commissions, regular bonuses, regular overtime and fringe benefits, salary sacrificed super contributions but excludes mandatory superannuation contributions and unearned income (eg investment or interest income).

Bonuses, overtime earnings and commissions (as applicable) will be calculated based on the averages received by you from your employer over the last three years.

If you are self-employed, a working director or partner in a partnership, salary means the income generated by the business or practice due to your personal exertion or activities, less your share of necessary business expenses and investment income.

Pre-disability income

Pre-disability income means your average gross monthly income over the 12 months immediately before becoming disabled. If you have been working for less than 12 months, your pre-disability income means your average gross monthly income over your total period of employment immediately before becoming disabled.

Insurance premiums

It is important that you ensure your investment balance is sufficient to cover your premiums each month. Your insurance cover will lapse if outstanding premiums are not paid within 60 days. The Trustee has no responsibility for ensuring continuity of your insurance cover and accepts no responsibility if it lapses.

Your insurance premium and, if applicable, amount(s) of cover are calculated:

- on commencement of your cover
- on notification of certain changes to your personal details (eg occupation)
- · as part of the annual insurance review.

The premiums you will pay will depend upon the following factors:

- 1. the type(s) of cover you request
- 2. your gender
- 3. your age
- 4. your occupation
- 5. your health
- 6. your pastimes
- 7. the sum insured
- 8. the waiting period before a benefit becomes payable (salary continuance cover only)
- 9. the benefit period (salary continuance cover only)
- 10. whether you select a benefit that is agreed value or indemnity (salary continuance cover only).

Age is determined by your age at application date. For existing members, annual premiums change based on your age at 30 June each year.

If we are not advised of your occupation category, then a default light blue collar loading will apply.

Premiums are deducted from your member account monthly in arrears. You can either:

- nominate the investment option(s) from which you would like the premiums deducted or
- have the premiums deducted proportionately across your investment options (default).

No GST is charged on the insurance premiums.

Occupational loading factors

Your occupational loading factor will be determined by your occupation as well as other information you should provide, including qualifications, industry and daily duties. If you don't provide sufficient details, you may be assessed at a higher occupational loading factor resulting in higher premiums. You are responsible for providing us with this information and updating us for any changes so that the correct occupational loading factor (refer annual premium tables for details) is applied.

Payments to Perpetual Group relating to insurance

The Perpetual Group may earn an amount paid by the insurer for services and reimbursement of expenses incurred in relation to the insurance arrangements for the Fund. This amount may be up to 10.50% (inclusive of GST) of the standard insurance premiums.

Death and/or TPD cover

The following premium rate tables outline the various annual premiums payable per \$1,000 of insured benefit for selected ages, taking into account premium factors 1-3. Factors 5 and 6, if necessary, will be assessed via a Personal Statement within the 'Insurance application' form. You may be required to provide further details (including medical tests – see 'Medical evidence' for details), depending on the level of cover you are requesting and your age. Premium loadings may apply due to occupational (see details below tables), health or pastime factors.

Calculating the cost of cover

Death and/or TPD cover

For death only, TPD only and death and TPD, the premium payable will depend on the type(s) of cover and benefit amount(s) you nominate (see Examples 1-3).

Example 1: Death only cover

A male member aged 40 who is a light blue collar worker would like to be insured for a benefit of \$400,000 in the event of his death (death only cover).

Monthly premium:

- = $\frac{\text{Premium rate}^2 \times \text{occupational loading factor}^2 \times \text{insured benefit}}{12 \times \$1,000^3}$
- = \$0.78 x 1.30 x \$400,000

\$12,000

= \$33.80 per month

If you have an equal amount of death and TPD cover, the cost is calculated based entirely on the combined death/TPD premium rate (see Example 2).

Example 2: Death and TPD cover for the same amount

A female member aged 35 who is a white collar worker would like to be insured for a benefit of \$300,000 in the event of her death or TPD.

Monthly premium:

= $\frac{\text{Premium rate}^1 \times \text{occupational loading factor}^1 \times \text{insured benefit}}{12 \times \$1,000^3}$

\$0.64 x 1.00 x \$300,000

\$12,000

= \$16.00 per month

However, if you have differing amounts of death and TPD cover (see Example 3):

- the combined death/TPD premium rate will apply to the common sum insured amount and
- the relevant death only or TPD only premium rate will apply to the death or TPD cover above the common sum insured amount.

Example 3: Death and TPD cover for differing amounts

A female member aged 35 who is a white collar worker would like to be insured for a death benefit of \$400,000 and TPD benefit of \$300,000.

Monthly premium for the common \$300,000 sum insured amount:

 $= \frac{Premium \, rate^{1} x \, occupational \, loading \, factor^{1} x \, insured \, benefit}{12 \, x \, \$1,000^{3}}$

\$0.64 x 1.00 x \$300,000

\$12,000

= \$16.00 per month

Monthly premium for the additional \$100,000 death cover:

- = $\frac{\text{Premium rate}^2 \times \text{occupational loading}^2 \text{factor } \times \text{insured benefit}}{12 \times \$1,000^3}$
- \$0.45 x 1.00 x \$100,000

\$12,000

= \$3.75 per month

Total monthly premium:

- = \$16.00 + \$3.75 per month = \$19.75 per month
- 1 From insurance rate table Combined death and TPD cover.
- 2 From insurance rate table Death only cover.
- 3 $\,$ Premium rates are expressed per \$1,000 of the sum insured.

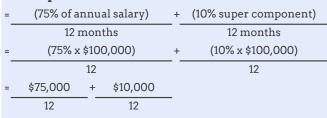

Salary continuance cover

For salary continuance cover, the premium payable will depend on the benefit amount you nominate and the basis of your cover (see Example 4).

Example 4: Benefit amount and premium

A male member aged 35 who is a white collar worker. He currently earns an annual salary of \$100,000 (excluding super) and would like to take out salary continuance cover in the event of a disablement that will prevent him from working. He would like the benefit to be paid over five years, have a 60 day waiting period and a 10% super contribution component.

Monthly insured benefit:

= \$6,250.00 + \$833.33 = \$7,083.33

Monthly premium:

= Premium rate¹x occupational loading factor ¹x insured benefit

= \$4.75 x 1.0 x \$7,083.33

\$1,200

- = \$28.04 per month (indemnity basis)
- = \$28.04 x 1.2 = \$33.65 per month (agreed value basis)

In this example, upon payment of a disablement claim by the insurer, he will receive:

- a monthly benefit of \$6,250.00* (less PAYG tax) and
- a monthly amount of \$833.33* paid by us into his Super Plan account as a super contribution.
 - * The benefit payable may be lower if at claim time he is earning less than \$100,000 per annum.
- 1 From insurance rate tables.
- 2 Premium rates are expressed per \$100 of the monthly benefit.

4. General declaration

- Truth and Accuracy I hereby declare that to the best of my knowledge and belief all of the answers to questions on this application form are true and accurate and I have not deliberately withheld any information material to the proposed insurance.
- Changes to Contract I understand that I must advise the insurer of any material change in my health during the period between the application date shown below and the cover commencement date. I understand that my failure to advise of such a change may make the contract of insurance voidable by the insurer.
- Acceptance of the application I note that this application is subject to acceptance by the insurer and that the insurance cover does
 not commence until I have been advised by the Trustee and insurer about acceptance of my application and (where applicable) I have
 provided written acceptance of any special acceptance terms.
- Duty of Disclosure I acknowledge that I have read and understood the 'Your duty of disclosure' in accordance with the Insurance
 Contracts Act 1984, as detailed in the 'Insurance in your super' document.
 Warning: You have a duty to disclose all information relevant to the insurer's decision to accept your application.
- **Privacy Statement** I have read and understood the Privacy disclosure as detailed in the separate 'Your Super Plan account' document. I consent to my personal information being collected and used and disclosed in accordance with the Privacy disclosure.
- Consent to provide personal health information to my adviser I consent to allow Perpetual to provide my adviser with any personal health information to assist the Trustee and insurer in assessing my application for insurance.
 I do not authorise my financial adviser to be provided with any personal health information submitted in relation to my application for insurance.
