ABOUT PERPETUAL
PTCo is part of the Perpetual Group of companies. The Perpetual Group is one of Australia’s most respected financial services institutions, providing a broad range of services to individuals and corporations, and has been in operation for more than 130 years. Perpetual Group means Perpetual Limited (ABN 86 000 431 827) and its subsidiaries.

FINANCIAL SERVICES PROVIDED
The financial service referred to in this FSG is an ‘arranging service’. When providing the arranging services, we act on your behalf.

We will arrange your application for:

- investments in managed investment products offered by Perpetual Investment Management Limited (ABN 18 000 866 535, AFSL 234426) (PIML)
- investments and/or insurance in superannuation products offered by Perpetual Superannuation Limited (ABN 84 008 416 831, AFSL 225246, RSE L0003315) (PSL).

Both PIML and PSL are also part of the Perpetual Group of companies.

You should also ensure that you receive a Product Disclosure Statement (PDS) in relation to each product for which we arrange your application, before you apply for investments in the product. The PDS contains important information relating to an investment in that product and you should read it carefully.
FUNCTIONS OF ARRANGER
In performing the arranging service, our functions include (but are not limited to):

• arranging for you to apply for an investment (or insurance, if applicable) in these products
• rebating commissions paid to us by PIML or PSL.

We will only provide you with factual information. In providing information we do not take into account your particular financial objectives, circumstances or needs. You may wish to consult a financial adviser to help you form your own opinion on this information, and on whether a particular product is suitable for your individual needs and goals as an investor.

OUR SERVICE FEES AND CHARGES
We do not charge you any fees for the arranging services. Any commission that we receive (where allowed by law) is paid to us by PIML and PSL out of the fees they receive in relation to their products in which you may invest, as outlined below.

OUR REMUNERATION
MANAGED INVESTMENT PRODUCTS
Where we arrange applications for investments in managed investment products offered by PIML, PIML may receive a contribution fee calculated as a percentage of the amount you invest and will receive ongoing management fees. These fees vary from product to product.

For accounts opened before 1 July 2014 where we arrange your application for an investment in a product offered by PIML, we may (where allowed by law) receive an initial commission from PIML in relation to any additional investments in that product. This commission will be calculated as a percentage of the amount you invest and is funded out of the contribution fee that is deducted from your application money. Any initial commission is therefore not an additional fee payable by you. These commissions may vary from product to product (refer to the relevant PDS for details). Any initial commission will be rebated to you by PTCo, resulting in additional units being purchased on your behalf.

We may (where allowed by law) be entitled to receive ongoing commissions from PIML in relation to the financial products in which you invest, based on a percentage of the ongoing value of your investment in the product. These ongoing commissions are not an additional charge to you and are paid out of PIML’s ongoing management fees, which vary between products and/or investment options (refer to the relevant PDS for details). These ongoing commissions will be rebated to you by PTCo, resulting in additional units being purchased on your behalf.

SUPERRANNUATION PRODUCTS
Where we arrange applications for investments in superannuation products offered by PSL, PSL will receive ongoing investment fees. We may (where allowed by law) be entitled to receive ongoing commissions from PSL based on a percentage of the ongoing value of your investment in the product. These ongoing commissions are not an additional charge to you and are paid out of PSL’s ongoing investment fees, which vary between products and/or investment options (refer to the relevant PDS for details). These ongoing commissions will be rebated to you by PTCo, resulting in additional units being purchased on your behalf.

Where we arrange applications for insurance in superannuation products offered by PSL, we may (where allowed by law) be entitled to receive insurance commissions from PSL based on a percentage of your insurance premiums. Insurance commissions are not an additional charge to you and are paid out of the standard insurance premiums you pay for your insurance cover, which vary from product to product and by the type(s) and amount(s) of your insurance cover, as well as your age and occupation (and, in some cases, smoker status – refer to the relevant PDS for details). These insurance commissions will be rebated to you by PTCo and will result in a reduction in the insurance premiums you pay for your insurance cover.

FURTHER DETAILS
You may request further details in relation to the remuneration (including commissions) or other benefits we and other members of the Perpetual Group may receive in connection with the services we provide, but you must make this request within a reasonable time after you receive this FSG and before we provide financial services described in this FSG to you.
