ABOUT THIS DOCUMENT

This Financial Services Guide (FSG) is an important document, which we are required to give to retail clients in accordance with our relevant Australian Financial Services Licence (AFSL). It provides you with information about the companies within the Perpetual Group (which means Perpetual Limited ABN 86 000 431 827 and its subsidiaries) that hold an AFSL for financial services relating to retail (and wholesale) clients, being the joint issuers of this FSG collectively referred to herein as 'Perpetual', 'we', 'us' or 'our'.

This FSG will help you understand the financial services that we each provide and to determine whether or not you should use them. It includes details about:

- how we can be contacted
- the financial services we are authorised to provide
- how we are remunerated
- our internal and external dispute resolution procedures and how you can access them.

OTHER DOCUMENTS YOU MAY RECEIVE

Before you can invest in one of our financial products you will receive a **Product Disclosure Statement (PDS)** or offer document containing information about the particular product to help you make an informed decision about that particular product.

If you are a retail client and receive personal financial product advice from us or from one of our representatives, you will be given a **Statement of Advice (SoA)**. Personal financial product advice is advice that takes into account one or more of your financial objectives, your financial situation and your financial needs. The SoA will contain the advice, the basis on which the advice is given and information about fees, commissions and any associations which may have influenced the advice.

The information contained in this FSG is general information only and has been prepared without taking into account any particular person's needs or objectives. Perpetual provides no warranty regarding the suitability of any of the services described in this FSG for any person.

The fees and costs applicable to the products and services we offer are set out in the relevant PDS or offer document for the product or service.

You may request further details in relation to the remuneration (including commissions) or other benefits we and other members of the Perpetual Group may receive in connection with the services we provide, but you must make this request within a reasonable time after you receive this FSG and before we provide financial services described in this FSG to you.
