27 March 2014

## PERPETUAL WHOLESALE INDUSTRIAL SHARE FUND

Effective 27 March 2014, the fund's investment guidelines have been modified to allow a controlled sale of shares that move off an Australian exchange. Where shares held in the portfolio de-list from an Australian exchange and the holdings are tradable on an international exchange, the stock must be sold within 12 months of de-listing. Currency hedges may be used from time to time.

If you have any questions about change, please contact your financial adviser, or phone us on 1800 022 033 during business hours (Sydney time).
