

## ADDITIONAL INFORMATION ABOUT CERTAIN 'COMPLEX' FUNDS

### PERPETUAL DIVERSIFIED REAL RETURN FUND

The following information forms part of Product Disclosure Statement issue number 12 dated 25 November 2019 (PDS) for Perpetual Wholesale Funds (Funds) and should be read in conjunction with the PDS.

The Australian Securities and Investments Commission (ASIC) requires the following specific information be provided for certain funds that pursue complex investment strategies (eg via use of leverage, derivatives and short selling) and/or have other characteristics (eg complex structures and/or performance fees) that may result in increased risk:

- periodic reporting
- investment strategy
- investment manager
- fund structure
- valuation, location and custody of assets
- liquidity
- leverage
- derivatives
- short selling
- withdrawals.

Perpetual Diversified Real Return Fund (Fund) is required to provide such additional information because of the Fund's potentially extensive use of derivatives to implement its asset exposures and since the Fund's Class Z units (performance fee option) charges a performance fee.

The following information in this document contains the latest details pertaining to the relevant additional information contained within the PDS, which may be subject to change.
