

The Ramaciotti Foundations

2023 Health Investment Grants

Ramaciotti Health Investment Grants of up to \$100,000 are awarded to individuals for a contribution towards the undertaking of health or medical research with the potential path to clinical application within five years. They are intended to provide enabling research support for autonomous early career investigators who are taking or have recently taken, a substantial position. Grants are awarded by Perpetual, as trustee of the Ramaciotti Foundations, on the recommendation of the Ramaciotti Scientific Advisory Committee.

Perpetual is pleased to congratulate this year's recipients.

RECIPIENT	INSTITUTION	PROJECT
Dr Harriet Gee (Derek Hart Memorial Award Recipient)	Children's Medical Research Institute	Understanding the tumour microenvironment after ablative radiotherapy to increase immunotherapy synergy and cancer cure
Dr Brendon Neuen	The George Institute for Global Health	Reducing the global burden of cardiovascular and kidney disease with SGLT2 inhibitors
